CLUBS AND ACTIVITIES

STUDENT COUNCIL

This year, the Student Council did its best to spread LOVE throughout the school. Two of the biggest and most popular fund raisers were geared to Valentine's Day. Students were able to send cookies to their favorite people. These cookies, distributed during 10th period, appeared to be a major fun and fund raiser. Also, a computer dating service was organized during Valentine's Day. Students filled out surveys which were then put into the computer. The lucky students were then matched with their perfect dates. Although most students were happy, some others did not approve of the computer's choices!

Another fund raiser was the famous battle of the bands. Local groups, some with Dayton students and graduates, battled it out on the stage of Halsey Hall. The winning group was selected by the audience and an eventful night was had by all.

Mrs. Cusumano, the faculty advisor, was aided this year by officers Kathy Meixner, Michelle Coddington, Jim Lee and Alan Souza.

Barry and Donna wait to find out if the computer will match them up.

Lucky officer Jim Lee is happy with the computer's choice.

NATIONAL HONOR SOCIETY

The National Honor Society's symbols.

The National Honor Society consists of the academically superior students of Jonathan Dayton. Students are selected for membership on the basis of the following four criteria: Scholarship, Character, Leadership, and Service.

Scholarship consists of maintaining an excellent grade point average. Character is in relation to a student's maturity level. Leadership is indicative of a student's ability to influence others toward a positive goal, and service represents a student's involvement in an activity(s) outside the classroom.

Students must also be recommended by teachers in order to enter the group.

Advisors: Mrs. Anita Tedesco and Mrs. Irene O'Grady

President: Thea Winarsky
Vice President: Kathy Meixner
Secretary: Margaret Taylor
Treasurer: Abbe Uchitel

The easy-going clubber,
David Schneider

The Dayton Key Club was again busy serving the school and surrounding community. Officers, Rochelle Smith, Pete VonDerLinn, Jay Mishkin, and Anne Marie Cochia combined both new and old projects to make 1984-85 quite a successful year. The annual bowl-a-thon to fight Leukemia was a success, while a Trivial Pursuit night challenged the minds of many students. Around Valentine's Day, the Key Club teamed up with the Student Council to provide Dayton with its first computer dating service. The club combatted heart disease through a radiothon with station WERA which raised over 7,000 dollars. The year culminated with the district convention held at Mount Aires Lodge in the Poconos. Through its service the Key Club not only helped its members to be better citizens but aided the school and community.

Donna carefully scrutinizes the EVER famous Dayton Journal.

Vicki explains to Leslie the correct way to fold a newspaper.

Once again, the staff of the *Dayton Journal* provided us with various info through the school newspaper. The Journal is continually building a strong foundation for the future by teaching underclassmen to write in proper jurnalistic style. Journalism students use the paper as a medium to practice and show their reporting skills. The Journal, advised by Mrs. Julia Latzer and led by editor-in-chief Kipp Levinson and Leslie Meskin, covered and presented various topics. Page editors Thea Winarsky, Pete VonDerLinn, Jay Mishkin, and Margaret Taylor assigned numerous articles. Often the pieces were entertaining, informative, provocative, and even controversial. In any event, they and the rest of the hard working staff produced many fine issues which were widely read.

Thea pushes Pete away in her EAGERNESS to read the newest issue of the *Dayton Journal*.

The Varsity Club is an organization consisting of different types of athletes who participate in school sports and are awarded a varsity letter. Through the leadership of advisor Roland Marionni, the members are involved in many fun fundraising and community activities throughout the school year. These athletes are not only a part of the club to earn money for their jackets, but also to volunteer their services to Mountain-side and Springfield. During the fall the club collected turkeys, pies, and canned goods to prepare Thanksgiving baskets that were donated to needy families. For the upcoming spring the club plans to visit the Children's Specialized Hospital and to donate blood to the blood bank in Overlook Hospital in Summit.

Mr. Dennis Fox, the challenge team advisor, was our teacher of the year for 1984.

How would you like to be a television star? The members of the challenged team are! The four members of the team travel to East Orange where the Channel 3 studio is located. There in front of the bright lights and television camera, the team must answer questions on literature, spelling, sports and history.

After two matches, the 1984-85 Challenge Team prove successful with wins over Hillside and South River. The team, led by Advisor Dennis Fox, is comprised of Seniors Jay Mishkin, David Krell, Mark Shanaman, and Sophomore Suzanne Demitrio, who is the first girl ever to make the team. After their two wins, the Dayton team will have met Livingston in March of 1985 and if successful, will have advanced to the (semi-finals).

EXECUTIVE SEARCH — Left to Right: Deborah Lang — President, Sandra Tavaska, Mark O'Donnell — Secretary, Mr. Julius Rossi — Club Advisor, Helen Harbt, Barry Malamud, Abbe Uchitel, Robert Greenwald, Kim Condon, Halee Arnold — Vice President, Kara Boogar.

The Executive Search . . . a business club for future business oriented students. The club consists of 25 members, which is about double the amount of last year. The club has been very active this year, thanks to the continual help of Mr. Rossi, the advisor. A few of the club's many activities included; a visit to Rod's Ranch House, where the members observed the financial operating of the business, a trip to the New York Stock Exchange, fund raisers, a display case for back to school night, and many other fun activities. Being a member of this club, helped everyone to take a small bite out of the business world that awaits them in the future.

Secretary Mark O'Donnell, President Debbie Lang, and Vice President Halee Arnold plan the club's next activity.

FUTURE BUSINESS LEADERS

Amerissa Grous, Mrs. Malloy, Kathy Fiorenza

Future Business Leaders of America (FBLA) is in its third year of existence. Through this club, the members learn more about the business world. Since most of the members are planning on a Career in business, the club helps to prepare them for this future. Lectures, discussions and field trips, on and about the business world take up most of the Club's time. The club held a candy sale to help to raise money for the future and refreshments for all secretaries were distributed on Secretary Day. Mrs. Malley is this year's advisor.

CHESS CLUB

Chess, a game for two played upon a checkered board with movable pieces, is often called the "royal game" because of its pre-eminence among contests of intellectual skill. Chess is played in every civilized country. It has been internationally standardized for some time now in Europe.

Under the direction of Richard Gooher, the chess club is the oldest at Dayton. Its members meet once a week and play each other for top rank. Dayton is a member of the Union County Chess League, and our top five players participate in tournaments they sponsor.

SCIENCE LEAGUE

Gary Gechlik, Glenn Gechlik, Julie Smith, Steve Burton, Doug Maher

The Science League is a group of four students from Biology, Chemistry and Physics classes. The students, led by their teachers, Mrs. Shanahan, Mr. Martino, and Mr. Marionni, meet monthly to hold area science tests. Dayton has met with such schools as Summit, Milburn and Chatham. The members find the club both social and intellectually stimulating.

Greg Cote prepares for a debate.

After an absence of over five years, debating has returned to Jonathan Dayton! Under the direction of History teacher James Lassi, a group of dedicated students has brought back the art of debating.

In the past years Dayton has had a very active and successful debating team. Now such a renewed interest, there is hope that Dayton will once again have award winning debating teams.

The Club, which usually meets once a week, learns and practices the skills that are necessary for successful debating. Speeches, panel discussions, and much debates among members of the club are carried on during the meeting. The National and State topics, which all high school students debate, are analyzed and debated.

All of Dayton welcomes the return of the Debate Club and much success is forseen in the future for the new Debates.

STUDENT AUXILIARY

The Student Auxiliary is composed of a "sextette" of girls from all four grades. Under the direction of Mrs. Eleanor Billig, the girls, in their familiar white hats, prevent confusion by directing students and parents at various school functions. In addition to ushering at plays and musicals, the student auxiliary directs parents on Back to School Night, incoming eighth graders at Freshman Orientation, give directions for adult school, and sponsored bake sales.

So, the next time you lose your way . . . look for the girl in the little white hat!

Later in the fall, the members participated in an ongoing Trivial Pursuit, in French. In March, the club participated in the school's Foreign Language Night.

And later on in the spring the French Club visited a French cooking school. — What a fantastic year!

The officers, President, Wayne Hettenbach; Vice-President, Ute Patsch and Secretary, Kathy Meixner also decided that the club would participate in the Foreign Language Night, which attempted to unify all of the foreign language clubs.

Both the German Club and its Honor Society had a very successful year.

HEBREW CLUB

Mrs. Eckman helps Jay and Oznat with their homework.

The Hebrew Club has had a very successful year, under the advisement of Mrs. Susan Eckman. In October, the club had one of its most interesting events, sponsoring a trip to hear Robert Clarey, one of the stars of "Hogan's Heroes", and a Holocaust survivor, speak out at Kean College. Clarey proved to be a very interesting and informative speaker. Preceding the speaker, the members attended lunch at various kosher eating establishments in Elizabeth. The most popular being Jerusalem Pizza. In December the club sold Velcro wallets to raise money. All proceeds went to help Ethiopian Jews. The club topped its great year off with a trip to West Point. It's been a great year!

Earlier in the year the club attended a Christmas pizza party with Arthur L. Johnson's Italian Club, at "Mama's Pizzeria" in Garwood. Another trip was taken to Columbia University in New York, with lunch at "Ferraro's."

The Italian club also participated in the Foreign Language Night party, earlier in the spring. It has been a great year for the club, and hopes to become better.

LATIN CLUB

The Latin Club, headed by Mrs Barbara Hedges, has highlighted its past several years with many fun activities. The Latin Club has participated in the National Latin Exam and is a member of the Junior Classical League. The club has celebrated a Saturnalia, which is a typical annual Roman Holiday. Also, during the annual Halloween party, many of the forty-six members came dressed for the occasion.

Although Latin is not spoken and is considered a "dead language" the Latin Club is certainly alive and full of spirit.

SPANISH CLUB

The Spanish Club, advised by Miss Anita Epstein, has been very active in bringing Spanish culture into Dayton. After their fantastic fund raiser, the club joined in the fun with the other clubs at Dayton for the Foreign Language Night. The members were busy decorating, cooking and just waiting for some fun. The party included an international D.J. — and the members all had a great time.

The club also spent time decorating the halls, rooms, and the IMC with posters in Spanish, for Foreign Language Week — March 3-10.

And to top off the year, the Spanish Club went to see a group of Flamingo Dancers. It's been a fantastico year!

Bottom Row: Elisa Segal, Cindy Terry Meisner. Top Row: Ellen Friedman, Amy Van Pelt.

Under the talented leadership of Mr. Joseph Trinity, the Drama Club gives students opportunities to learn and develop various acting skills. Besides being involved in the school's productions of "1884" and "Damn Yankees," Drama Club members present plays and scenes during their after school meetings. These student productions help develop the talents of the students by the presentation and the critiques given by fellow students.

This year the club had a number of fund raisers to help raise money for the Spring production. Having active membership in the Drama Club, involvement in plays and work behind the scenes often lead to admittance to the National Thespian Society. The Society is established to honor their students who demonstrate outstanding achievement.

1984

"As a good neighbor it is my duty to turn you into the thought police."

"ATTENTION! ATTENTION ALL COMRADES OF OCEANIA! PREPARE YOURSELVES FOR A MESSAGE FROM OUR EXALTED LEADER BIG BROTHER."

"Good Morning, comrades. This morning I have glorious news to report. Last night while you were sleeping our armed forces in Eastasia captured all of India! The end of the war finally seems to be within our grasp! We have taken over 35,360 Indian prisoners, who will, of course, be on public display tomorrow for the Routine Riducule Ritual. Oceania has suffered only 346 casualties. This is our best war effort ever! (The mandatory mourning for our brave soldiers who gave their lives for the sake of Oceania will be tomorrow morning at 0900 hours.)

"I would also like to announce that Oceania has won the battle for production! Last year we had a surplus of 24,347 razor blades, 11,934 pairs of shoes, and 103,769 tomatoes. Therefore, the chocolate ration has been raised to two kilograms for this month. You need not thank, me, comrades, you earned it."

"I have a special treat for you at the public hangings this afternoon. Yesterday the Thought Police discovered the infamous Brotherhood leader Joseph Trinity directing a despicable band of young Brotherhood traitors in a dramatic production that actually has the audacity to question and demoralize the power and existence of the Party! This is an act of treachery completely unforeseen in the history of Oceania. In compensation, each traitor involved will be hanged twice this afternoon in a public square near you. That is all for now."

"This has been a message from our exalted leader Big Brother. Everyone back to work! We will keep you posted for any further developments. ALL HAIL BIG BROTHER!"

"'ere comes a chopper to chop off ye 'ed"

"We are the dead."

And Michael Stickler said, "Let there be light."

"You look . . . pale, comrade"

Big Brother watches everything!!

"If you would like a picture of the future of the party, imagine a boot stamping on a human face . . . FOREVER!"

Vocal Music

"SIT UP STRAIGHT!"

"Now listen, ladies and gentlemen, you have a concert coming up next week, and you're going to get laughed out of the auditorium if you don't learn this music. Now, come on! From the beginning ... 1 ... 2 ... 3 ... 4 ..."

Vocal Music Director Ms. Brenda Kay takes pride in her work. Most of all, she enjoys making music with her favorite group of kids, the Dayton Vocal Musicians. This melodious bunch is a very elite one, to be sure, and there are various stages to each member's development.

The harmony-seeking freshman journeys into the department's Vocal Workshop. Here he ventures into the arts of note-reading, basic tonal quality, harmonic acclimation, and general rehearsal and performance techniques. After a year of such musical introduction the student may either enter the Concert Choir and continue his pursuit of vocal instruction, or audition for the Chorale, the Competitive singing group that serves as the upper echelon of the Vocal Music Department.

The Department undertakes various activities throughout the year. Students engage themselves in endless fund-raising so that they can cover the expenses of the numerous department activities such as vocal concerts, student scholarships, and group trips. Each holiday season the Chorale and Chorale Alumni perform Handel's MESSIAH at the Presbyterian Church in Mountainside. It just goes to show that once you enter the Vocal Music Department you have a lifelong membership.

Front Row: Ms. Brenda Kay, Lauren Sueskind, Kevin Daily, Christine Mantejek. MARCHING BAND

The Jonathan Dayton Marching Band has had a successful season considering the obstacles that they had to overcome. Faced with the problem of decreased enrollment within the band program, leadership became the major part of the success. Part of this student leadership was Senior Drum Majorette Kim Fisher, Junior Drum Majorette Deneen Martino, Captain of the Guard Denise Campion and Co-Captains of percussion Stephen Agey and Larry Cohen. Soloists were Sue Miiske, Alan Talarsky, David Dietz and Mark Shanaman. Of course, with Mr. Jeffrey Anderson in charge, the band had to be good!

The band traveled to various areas of New Jersey and Pennsylvania to compete and placed within the top five bands. The Band is very proud of their accomplishments and have gained respect within their communities.

Deneen Martino, Denise Campion and Kim Fisher receive placement awards in the Group I Division.

"Turn around, Steph," says Denise.

The Jersey Devil Indoor Guard is in action again for the eighth consecutive year! Under the instruction of Mr. Jeff Anderson and Ed Doscher, the guard has invited other students to participate, who are not band members.

After a shaky beginning, the guard has improved greatly. Also adding excitement to this year's show, is the use of a gigantic "Centipede," which is also the title of their opening song. All members fit under the Centipede until they suddenly appear. The Indoor Guard requires students to dance, as well as twirl to a choreographed routine.

Student Leadership this year involves Seniors: Denise Campion, Kim Fisher, and Beth McLaughlan, and Juniors: Lori Hagey, Kelly Stewart, and Deneen Martino.

The Jersey Devils are proud of their accomplishments and look forward to future competitions.

RADIO AND COMPUTER CLUB

The Amateur Radio and Computer Club conducted many activities during the 1984-1985 school year. Club members kept busy exchanging programs and ideas, studying for their ham licenses, and operating the club radio station, WB2SSO. Special presentations, lectures, and guest speakers added to the excitement of the meetings. In addition, the club designed and constructed their own computer, the JD 1000. Club officers were President Jeffrey Gornstein, Vice-President Michael Stickler, Secretary Craig Yoss, and Treasurer Peter Kornblum.

CONCERT BAND

The Concert Band consists of students who wish to improve on their musical ability. Many of the students are also involved in the Marching Band program. Under the guidance of Mr. Jeffrey Anderson, the Concert Band meets every day during 10th period. The students are required to play an instrument and practice the daily lesson. Music varies from jazz, current hits and classical.

Most students improve and broaden their personal musical abilities. To be the best that they can is a definite goal. The Concert Band can be seen performing at the Winter Concert, marathon Spring Concert, and graduation. This year the Concert Band intends to compete for the first time during the Spring Trip. Best of luck in what they do.

It all began one September, '81 was the year,
As freshman at Dayton we trembled with fear,
Getting lost in the halls, learning to say "It's O.K."
Would the "Frosh" ever see their graduation day?
Our football team finally went to the states
But we were more interested in looking for dates
Mini's were in as we danced to Joan Jett,
We promised to be the rowdiest bunch yet.
Our freshman year brought about many strange things,
Including the infamous Cassak ding-alings
The next summer flew by, as summers will do,
We said hello to our friends, some old and some new.
Valley talk was like totally in Sophomore year,
As we tried to be gorgeous and make our skin clear
Miss Duke warned us that "life is not fair."
Even in her class we all "got the bear."
We went to countless Sweet Sixteens

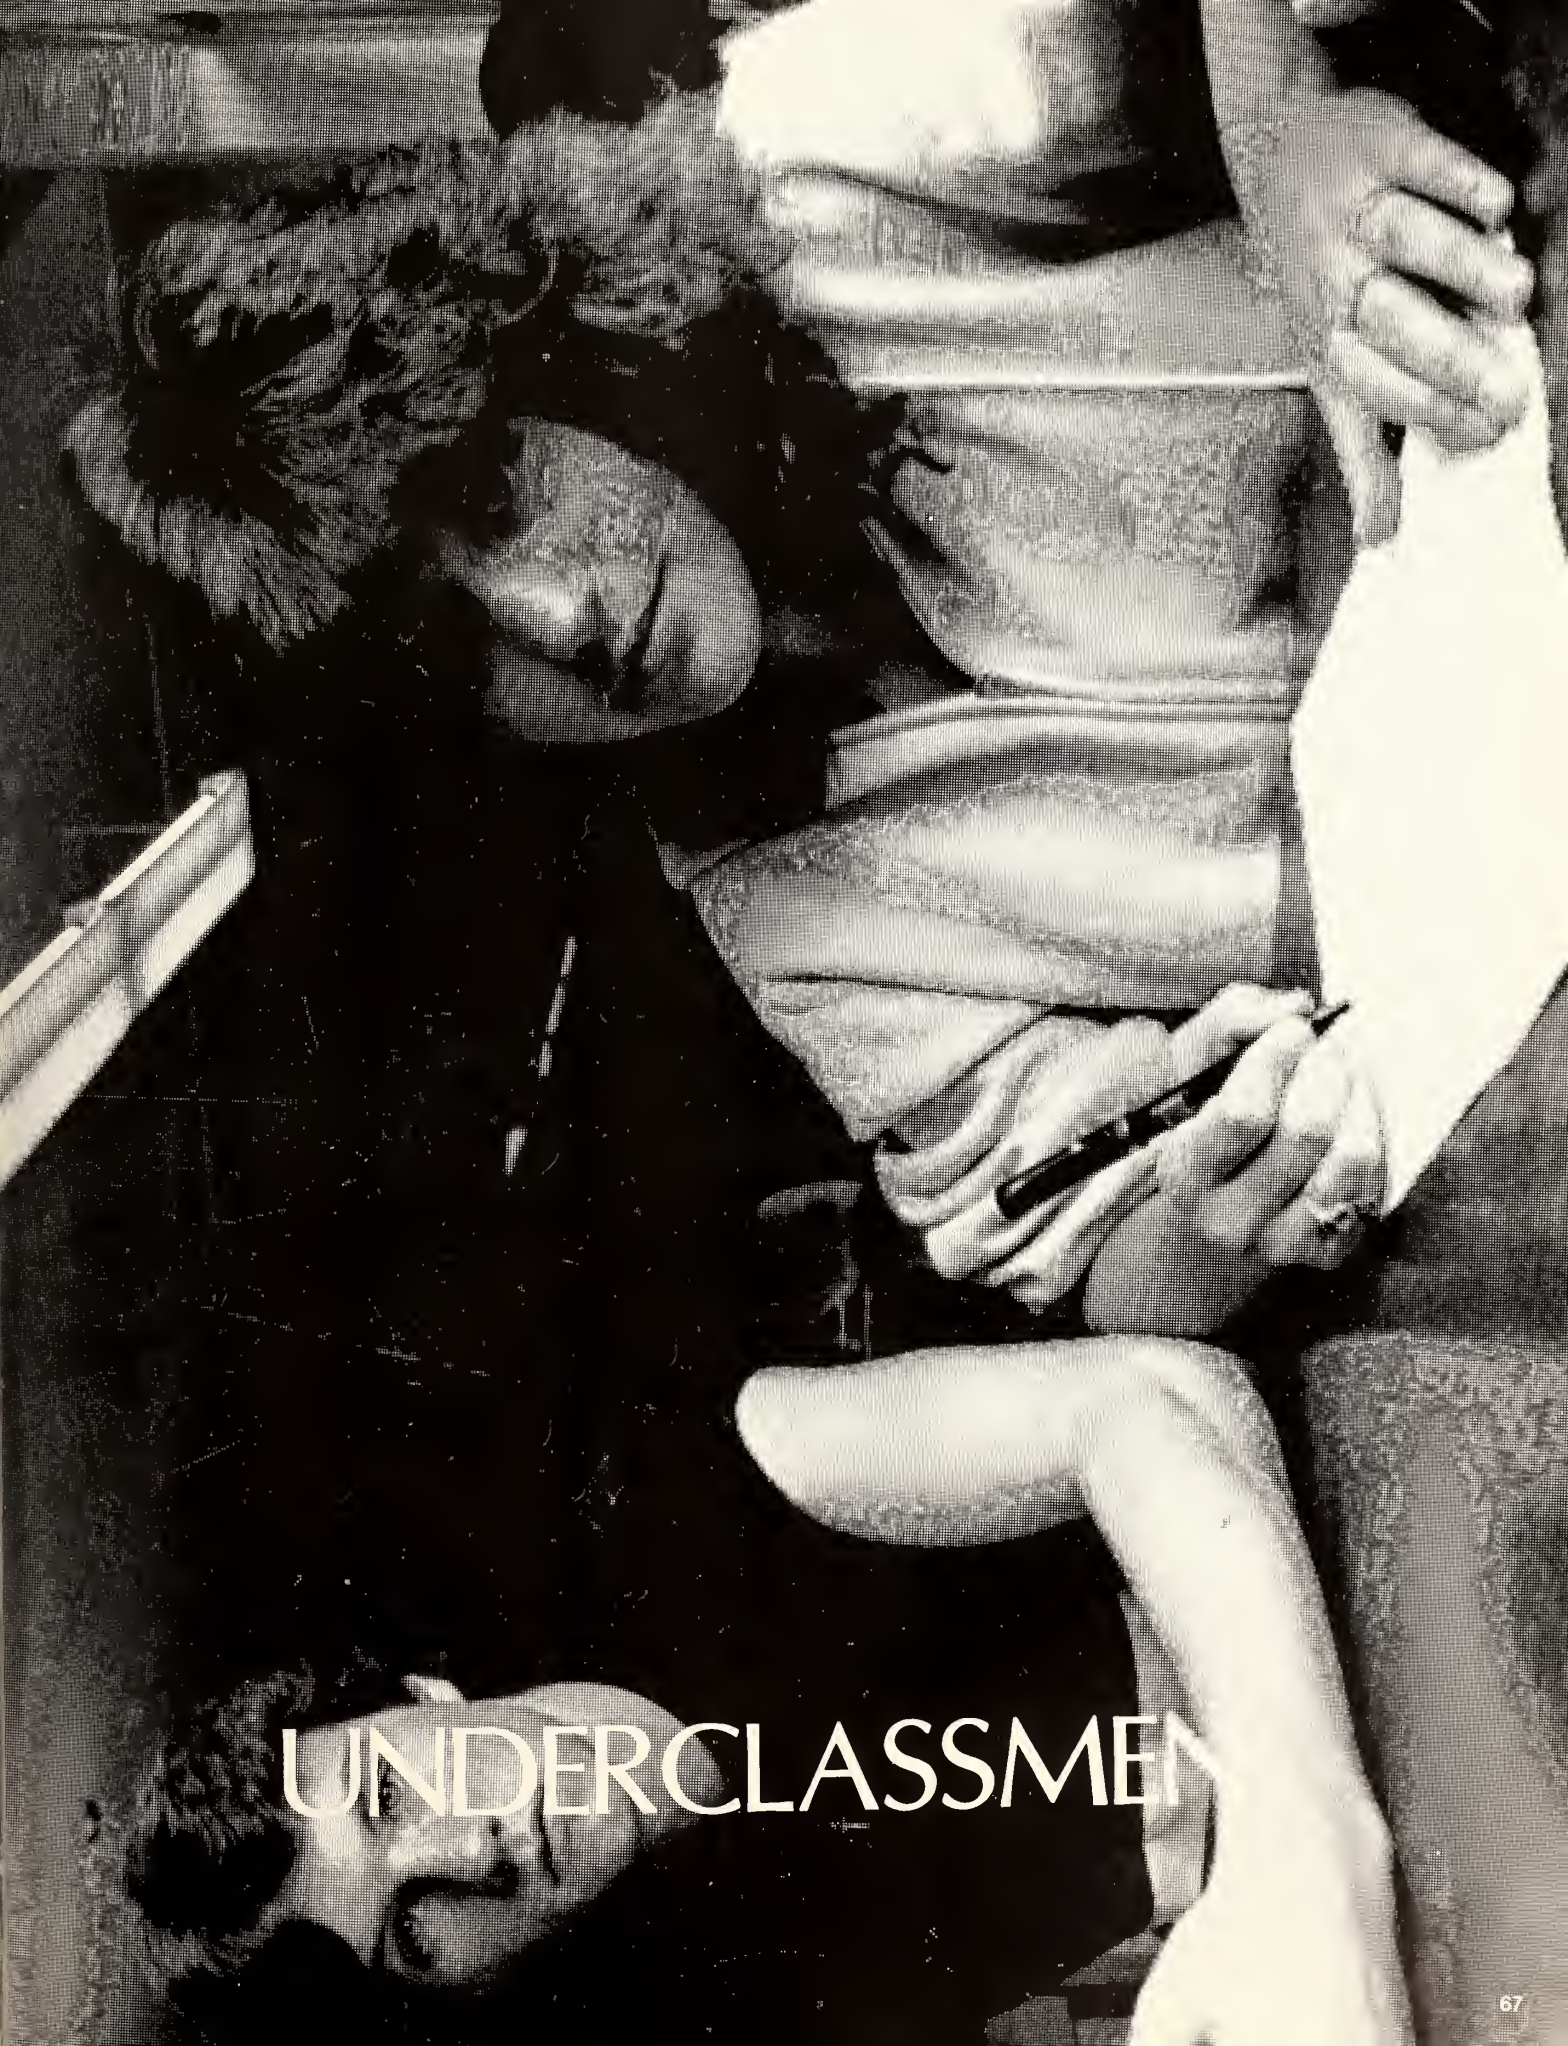

In our capezios and our new hair and jeans
As sophomores we were carefree and wild
We followed each trend and tried every style
Junior year rolled around, we switched to third gear
Our futures became a new fear.
Junior year "Footloose" became the new craze,
Michael Jackson and Kevin Costner left the girls in a daze
We saw "The Terminator" in horror and fright
And feared that the world would blow up overnight.
The class ring ceremony with 85 turns,
Learning to drive was our major concern.
We were ranked in our class, took our first SAT,
Our school would lead soon. Where then would we be?
Senior year, a perfect pain in the night.
The class of '85 was truly a sight
We sang "I Wanna Dance with Somebody" and having a blast
When the year went so fast.
Senior year was so fun for us, it meant traveling for some,
Others worked hard for money to spend in the year to come.

There were weekends we couldn't remember and times we'll never forget
Our senior year promised to be the best yet
We all "like that action" when we finally won
The November Fall Festival, Dayton's last one
We chose our schools, college around the bend
Would the monotonous applications never end?
The King and Queen were crowned at the Homecoming Dance,
As we jumped around in our neons and cropped pants
On June 2, was the prom a night we will always remember.
It seemed just like yesterday that it was September
Graduation could be seen around the bend,
Has our four years at Dayton finally come to an end?
It was time to look to the future and open our eyes!
We knew the time had come for us to part,
But our memories of Dayton will always remain in our heart.

SPORT

FOOTBALL

The 1984 Varsity Football Team, under the fine coaching of Tony Policare, posted a 6-4 record, placing 2nd in the Mountain Valley Conference. Dayton lost in the conference championship to 11-0 Immaculata. 1984 was the first year ever that Dayton played for a conference title and entered the state playoffs, in the same season. In the first game of the Group 2 Section 2 State Playoffs the Bulldogs were defeated, 6-0 in overtime, by the Delaware River Conference Champions, Warren Hills. Another achievement of the 1984 football squad was the 27-7 victory over Arthur L. Johnson, in the Unico Bowl. A strong showing of talent came on Thanksgiving, when the Bulldogs defeated the Brearley Bears 14-6. In this game Darren Iaione broke away for a 95 yard run from scrimmage, scoring his and the Bulldogs second TD!! This run was the longest in Union County! Iaione, a junior tailback rushed for a total of 911 yards, caught 9 passes, received honorable mention in the county and gained recognition on the 1st team all Mountain Valley Conference as a tailback. We are all looking forward to having Darren back another year! Another standout on this years team was senior inside linebacker, Dan Klinger. With honors as 1st team all Mountain Valley Conference, 1st team all-county and 2nd team Group 2 all-state!! He led the MVC with 111 tackles. Dan Klinger also knocked down a 2 point conversion to give the Dawgs a 7-6 victory over the then 3rd in the county Roselle Rams! Junior Chris Dooley kicked the extra point! Senior offensive tackle Dave Cole was named to the 1st team all Mountain Valley Conference and the 3rd team all-metro. Dave is one of the many seniors being recruited by top colleges! Senior quarterback Mike Graziano passed for 678 yards and threw for 6 touchdowns, as he led the Dawgs offensively! For defense it was Paul Gaffrey, making 1st team all Mountain Valley Conference as defensive end. Other members of the team receiving honorable mention on the Mountain Valley Conference were, Levent Bayrasli as fullback, Shane Connell as center, Tom Kisch as free safety, John Lusard as Wide Receiver, and Jim Clifford as tight end! Jim made the winning TD against Governor Livingston on his 50 yard reception. Senior Joe D'anna made honorable mention as nosetackle! Members of the team which Coach Policare feels will be a great asset to the squad next season, include Junior Greg Torborg as Flanker, which will help the Dawgs passing game, Cornerbacks Robert Fusco and Chris Clemson, and quarterback Anthony Policare. With 14 underclassmen returning, "the future is very bright," says Coach Policare. We will all be wishing the Dayton Dawgs the best of luck!!!

The 1984 Varsity Soccer team ended the season with a 9-5-2 record. Under the fine coaching of Mr. Joe Cozza the Bulldogs qualified for the State Tournament. They had a 1-0 victory over the much favored Madison Squad, who at that time were ranked 17th in the state. The team then proceeded to the semi-finals, and were defeated 2-1 by Millburn. The 1984 Bulldog Squad was led by Captain Stephen Katowitz, who played outstanding as the goalie and co-captains Anthony Millin and Paul Nadzan. With 15 underclassmen returning the Bulldogs will be a tough team to match!!

Where's the 3-legged race, Gilon and Jim?

Coach Krupp complains of the over-enthusiasm of the soccer team

This year the Girls' Varsity Soccer Team showed some good talent. The two Senior Captains Kathy Meixner and Michelle Coddington were the backbone of the team. Colleen Delaney led the offense scoring 12 goals, with Dawn Pohlman, Linda Fernicola, Dana Spivack, Jean Dachnowicz and underclassmen Maria Buckley, Staci Weinerman also contributing to the offense. Strong defense was played by Suzanne Crane, Gina Messano, Marlo Coddington and Nancy Klaskin. Sophomore Ann Lissy played Goalie for the 7-10-1 Girls' Soccer Team. Although the girls' did not finish with a .500 record they played well against their strong opponents. With many underclassmen on this years team, the Lady Bulldogs are looking forward to the upcoming season.

BOYS' CROSS-COUNTRY

The Dayton Boys' Cross Country team experienced a successful season this year. The team, which was led by senior captains Kipp Levinson, Joe Melkowitz, Chris Woodall, captured an undefeated season with a 15-0 record. The team placed 2nd in the Union County Championships, 2nd in the Mountain Valley Conference, and 5th in the Group II State Sectional Championships. Performing well were Juniors Tom Jackson, Jim Roberts, Jim Pieper, Chris Schramm, and Bruce Oberhand. Other runners included: Senior Brian Moran, Sophomores Todd Richter, Walter Yee, David Nelson, Blair Micke, and Art Ciccioni, and Freshmen Jeff Sumner, Ray Foley, Kevin Lake, George Harrison, and Mike French. The Dayton Girls Cross Country team finished another outstanding season in 1984. Some of the highlights included a third place finish in the Counties, a second place finish in the Conference and a First place finish in the All Area Meet.

Much of the teams success can be accredited to the enthusiasm and leadership of Captains Margaret Taylor and Traci Biber, and Coach Bill Jones. Outstanding performances from team members Sue Rauschenberger, Sandy Kelk, Providence Wissel, Amanda Sumner, Shannon Kiley, Ute Patsch and Chris Graziano helped to make this season enjoyable, productive, and successful.

"Another lecture, Mr. Cushnir?"

It was a rebuilding year for the Dayton Gymnastics team in 84. With Captain Carmela Carpenter out with a knee injury started the season off on the wrong foot. But the return of gymnasts Junior DeAnna Campos, Sophomores Gail Engard, April Peterson, and Cindy Kostin, helped the team with the competitive edge it needed for the enduring season. Although the season was very competitive the girls kept up the Dayton spirit to make the season joyful. Freshmen Monica Magee, Lori Smith, Jessica Bernstein, Lisa Cuisulli, Anne Holester and Amy Rose gained the experience needed to help the team in the future years. Managers Cindy Terri-Meisner, Julie Terri-Meisner and Pam Nostum gave the team the spirit it needed to make it through the season. Coaches Howard Cushnir and Larry Greno guided the girls through a learning experience that will pay off in the future seasons.

GIRLS' TENNIS

The 1984 Girls' Tennis Team completed a very successful season under the fine coaching of Mr. Jasinski.

The girls defeated Middlesex in their first match and went undefeated for 7 matches until losing to their conference rival, Basking Ridge; Consequently their only loss in season play. However, this did not discourage the team. As they came back to beat Ridge 3-2, and tie for the Co-Championship of the Mountain Valley Conference. The Team finished their season with a 15-2 record.

Individually, the team witnessed many fine performances. At first singles Elizabeth Schramm went undefeated all season, and was ranked 2nd in Union County. Dayton is proud to say that Liz was the first girl ever to win the Union County 1st singles title, and she was also nominated All Mt. Valley 1st singles. At second singles was sophomore Kim Somers, and she too was ranked 2nd in Union County. Jeanie Perotta had an outstanding season at 3rd singles. She was nominated All Conference 3rd singles, and had the comeback win in the all important championship match against Ridge. 1st double consisted of Senior Vicki Anderson, and a rotating duo of Elisa Segal and Amy Schoenfeld. At 2nd doubles were Juniors Jen Feinsod and Shan Zisman. Though this 1984 Championship is over, Mr. J looks forward to an even better season in 1985.

Senior Co-captain Katy Meixner averaged 13.5 points per game, and received the most valuable player award in the Christmas Tournament. In this tournament, The Bulldog team reached the finals but were defeated by Somerville. When it came to scoring the Bulldogs looked for Freshman Staci Weinerman. BOYS' WINTER TRACK

The winter of 1984-85 proved a successful season for the Winter Track Team. The Team was successfully led by captains Chris Woodall, Robert Greenwald and Mark O'Donnell. Along with Woodall, the distance runners, including Jim Roberts, Jim Kellerk, Gary Francis, and Walter Yee, were a force in the Mountain Valley Conference. Darren Iaione and Jim Ruban led the team in the weight events. The most successful portion of the team was the hurdlers, led by Michael Barisonek and Walter Jackson. They achieved various honors including fifth place in the state group meet at Princeton. Coach, Mr. Byrne, expresses his satisfaction at the team and is confident the team will continue to be a dominant force in the Mountain Valley Conference.

First Row: Sandy Kielk, Margaret Taylor, Tracy Biber, Sue Rauschenberger. Second Row: Cindy Moser, Chris Graziano, Shannon Kiley, Ute Patsch, Providence Wissel and Lisa Gleicher.

The Girl's Winter Track Team had a very successful season. Senior Margaret Taylor and Junior Tracey Biber led the team to their victories. This year, Tracey was the only girl to reach the Eastern Conference in Boston. The middle distance runners were led by juniors Sue Rauchenberger and Providence Wissel along with Sophomores Sandy Kelk and Kim Sommer. The fabulous sprinters were led by Ann Marie Cochia and Sue Zavodny and these girls established a standard of competition for opposing sprinters. The high jumping team of senior Karen Wenek and junior Kathy Biber did very well. The shot putters were Lauren Arnold, Anne Marie Lissy and Lisa Gleicher. Ute Patsch, Michelle Fredricks and Licia Vietro also played major roles in leading the team onto success. Coach Byrne was very proud of the team this season.

BOWLING

The Jonathan Dayton bowling team had an excellent 1985 season in the Mountain Valley conference. While Mr. John Swedish coached, the team tried to recapture the title it had in 1982 but unfortunately fell short. The team bowls twice a week at Green Brook lanes and was paced by Seniors captain Sharon Kutsop and John Rubenstein, Juniors Mitch Cohern and Don Dilanno, Sophomores Chris Reid and Chros Tonner, and Freshmen Craig Carson, David Brahm, and Seth Hammer.

SWIMMING

The Dayton Swim Team finished its season with a record of 2 and 12. A contributing factor to the record was the fact that there are only sixteen swimmers on the team. Also practice usually begins at 6:20 a.m.

This year's team captains were Maureen Barisonek and Hal Levine. Graduating seniors are Hal Zemel, Hal Levine, Bob Alder and the legendary John Fischer. The team was coached this year by Miss Karen Hilliard. The swimmers made up for their losing season with much spirit, determination and much hard work.

Although the 1984-85 Dayton Varsity Baseball team has only a few returning letter winners from last season, the future still looks bright. The team will depend upon a number of promising underclassmen. Of the four varsity letter winners returning, Dan Klinger is the only senior, while the rest consist of two juniors, Greg Topborg and Darren Iaione; and sophomore Michael Gallaro. Highly recruited 1st baseman/pitcher Dan Klinger hit .380 for the Bulldogs last year. Greg Torborg, the starting centerfielder for the team, will be counted on again this year to provide strong hitting as well as solid defense. Gallaro and Iaione, who last year split the catching chores, will add power to the Bulldog lineup. Other seniors returning from last year's squad are Bob Mücke, Kyle Wissel, Jim Thorlakson and Jeff Pollack. Outfielder Bob Mücke's bat will be a prominent force on the team, while Thorlakson, Pollack, and Wissel will solidify the infield. Many promising underclassmen are expected to shine this year for the team. Shane Connell, Steve Burton, Tom Kisch, and Rob O'Neil will make up the heart of the pitching staff. In the outfield Myles Carter, Jim Clifford, and Paul Nadzen are proving masters of the glove. In the infield we will have Chris Clemson and Anthony Graziano.

GIRLS' SOFTBALL

This year's Varsity Softball Team, coming off of a very successful 17-8 season placing 2nd in the Union County Tournament, will be looking to improve themselves.

The team will consist of returning lettermen and many promising underclassmen. Senior Co-Captain Sharon Kutsop will be on the mound for the Lady Bulldogs. As a junior Sharon gained recognition on 1st Team All Union County and Mountain Valley Conference. She will be an important aspect to this team. Senior Carmela Carpenter and Sophomore Colleen Delaney will be sharing time on the mound with Sharon. Carmela will also be sharing time behind the plate with sophomore Sue Crane. The infield will consist of junior, Co-Captain Dawn Pohlman, who as a sophomore gained recognition on All Mountain Conference and 3rd team All Union County; Senior Michele Coddington, who led the team in homeruns last year; and Seniors Moira Quillan and Kathy Meixner, both who have plenty of experience to make a solid infield. In the outfield, will be Senior Vicki Anderson, who as a junior received honorable mention in the Mountain Valley Conference, and talented underclassmen such as Lisa Augustas and Jeanie Perrotta. Utility players Marlo Coddington and Maureen Barisonick will add flexibility to the Bulldog squad.

We wish the girls Varsity softball team our best wishes for a highly successful season.

GOLF

Golf is a distinguished game that has been played by gentlemen for centuries. Could there be any sport better suited to the average Daytonite? O.K., realistically there are only a select few who participate on the Dayton golf team. These fine athletes are truly privileged in more than one way. First, they are able to benefit from the good coaching and infinite experience of Mr. Ray Yanchus. He has always been willing to lend his vast knowledge of the game to his players. Largely due to Coach Yanchus, Dayton Golf has been and will be a success.

Golfers at Dayton are further privileged as they have Baltustol, a P.G.A. championship golf course, as their home links. The fact the the course has been the sight of various professional tournaments adds extra excitement for the golfers who tackle its rolling greens and monster Par 5's. The challenge of such a tough course provides the team with great experience and allows them to sharpen their skills. This gives the edge to the Bulldogs, especially at most away matches, where public golf holes often seem simple as compared to those of "The Roll."

Dayton Golf certainly has a strong foundation with the coaching of Mr. Yanchus. More and more students are trying for the few spots open for match play every year. It looks as if we may one day have another Jack Nicklaus as a product of Bulldog Golf.

The girls spring track team participates in many challenging events. The best team in the Mountain Valley conference, the girls have not lost a dual meet since the Class of 85 came to Dayton; the team perennially has runners placing in the County and State tournaments. The team is lead by the strong distance crew that constantly wins the half mile, mile, and two mile races. Also excellent are the 100 meter, 200 meter, and 400 meter sprint teams. The team also has girls doing the 100 and 400 (intermediate) hurdle events and a weight crew that participates in the shot put, discus, and javelin throws. The high and long jumps are also participated in by the girls perennially.

BOYS' SPRING TRACK

As usual, fine performances highlight the Boys' Spring Track Team. This year, the distance runners follow the fine examples of senior Chris Woodall and juniors Tom Jackson and Jim Roberts. Gary Francis leads the middle distance runners to a fine series of accomplishments. Junior Walter Jackson anchors the hurdle team with sophomores Michael Barisonek and Brian Targum. Dave Cole and Jim Ruban set the standards in the field events. With dedicated Coach Byrne the team just has to be great!

MR. REGIONAL DANCE

Seniors party all night long.

This year's Homecoming Dance was a successful ending to the last Fall Festival. Evening festivities included a break dancing extravaganza, as well as a dance contest and perplexing, trivia questions. The highlight of the night came when Margaret Taylor and Kipp Levinson were crowned as Homecoming Queen and Mr. Regional. Homecoming court included Brian Dailey as courtjester, Joanne Centamore as Junior rep., Sandy Conti as Sophomore representative, and Amy Rose as Freshman rep. It was a night of fun for everyone.

The 1984 Fall Festival was a time for one to show his or her spirit. The Fall Festival began on Nov. 1st and ran until Thanksgiving. It began with banner painting. Three fun-filled days for each class to make a banner along with decorations for their respective hallways. The hall decorating was creative and unique this year. The seniors went with the theme of J. D. Bulldog for President since this was an election year. The Juniors went with a haunted house decor, and the Sophomores with a New York City skyline. The Freshmen came up with the idea of Bulldog conquers the world. Points were awarded for banners, hall decoration, support for class and court voting. The spectacular judging was done by Mr. Falzarano, Mr. Pereira, and Ms. Romano. The climax came at the Thanksgiving Pep rally when the winner was announced. The Seniors arose the victors with Juniors close behind. Now it was time to party! At the Homecoming dance, the end of the festival, Kipp Levinson, and Margaret Taylor were crowned Mr. Regional and Homecoming queen. The Homecoming Court was announced and Brian Dailey was named Court Jester. The 1984 Fall Festival ended on a sad note because it was the last one Dayton will see.

... A bright sunbeam bouncing buoyantly off the shadowed rooftop ... A free-spirited butterfly fluttering about aimlessly over the lush meadowlands ... A cuddly cub pawing playfully at his cavorting cohorts ... Kipp. A celebrated showman flitting scriptlessly around the stage until the curtain suddenly fell and forced the act to pass on.

We need not worry about how to remember Kipp as we reflect upon our wild younger days of which he was such a major part. For Kipp remains more than just the fond memory of a smiling face and a quick witticism. To us, Kipp represents the unflagging heart and soul of a class, of a school, of a community. And his gift to us goes far beyond his unselfish and uncompromising companionship. He gave us happiness through laughter, life through love, sanity through insanity. A hearty chortle was the only recompense he sought — and he would travel to the deepest humility and humiliation in its quest.

To you, Kipp, who shared with us our most carefree years, who helped launch us into maturity without reaping any of its benefits yourself, whom we will undeniably miss and longingly wish to be alongside us partaking in all of our future joy, we offer our most sincere efforts, combined and individual. May each of our successes build a pillar of credit to you, for you, of you.

And we remember ...

A dancing daisy ... A prancing pony ...

Unique as the unicorn ... Proud as the lion ...

Free as the wind ...

Now but a gentle breeze wafting whimsically along a gilded shoreline ...
